Exhibit is to be viewed from the front. Competitors own backboard and base boards are allowed, and must be provided by the competitor if required and must adhere to the size limitations. The reverse of these backboards **MUST** compliment the theme and be neat and tidy. At the national finals the exhibit will be displayed on a table with a white table covering.

Each competitor will be required to create their exhibit within a one hour time limit. A work table will be provided close to the display area – approx half a trestle table to be allocated per competitor.

AN EXHIBIT:-

- Is composed of natural plant material, with or without accessories, contained within a space as specified in a show schedule.
- Backgrounds, bases, containers, drapes, exhibit titles and mechanics may always be included in an exhibit, unless otherwise stated.
- More than one placement may always be included, unless otherwise stated.
- In all exhibits (except still life) natural plant material must predominate.

NATURAL PLANT MATERIAL:-

- Natural plant material is any vegetable matter
- It includes fresh, dried, garden, wild, or made-up plant material.
- It is acceptable to enhance plant material by the application of oil, milk, wax or other similar products.

AN ACCESSORY

- Anything other than natural plant material in an exhibit, such as, feathers, shapes (spheres, cones) , shells, stones, wax candles
- Natural plant material which has been tooled or crafted to resemble non-plant forms, e.g. birds nest, corn dolly, wooden figurine.

A team shall consist of three members 26 years of age or under on 1 September 2018.

At the NFYFC Final the team will be required to erect a 22m stock proof boundary fence using the materials provided (as illustrated in the diagram).

From the start point; the fence shall be in a straight line for 12m before turning approximately 30° to the right and continuing for a further 10m.

It shall be constructed of post and netting with 2 strands of high tensile steel wire above the netting. At the start of the fence there will be a box strainer assembly using a horizontal strut and diagonal brace wire. At the other end; the fence will be secured with a high tensile fencing-strainer assembly, using a strainer and angled strut (strut to be secured using a thrust plate, and strainer to be secured using 2 cross members). Where the fence turns 30°; the turning post shall be a straining post without struts. The plain wire must be tensioned and tied with a knot at both ends. A join in the netting must be made by hand where indicated on the diagram.

The team are required to prepare a written risk assessment/method statement, which is to be handed to the Chief Steward on the day of the competition - prior to the competition start.

**Diagram is not to scale and is for illustrative purposes only
All spacings to be determined by the competitors**

All teams are required to dismantle their fence after the Presentation of Awards (The thrust plate and any blocks/cross members must be out of the ground). Teams are required to clear away all debris and any off-cuts of wire etc must **not** be put down the postholes. Receptacles will be provided for this purpose. Soil will be available to make the ground good.

Any team not complying with this ruling will be disqualified and may receive a fine.

The Judge's decision is final.

37 Auctioneering (NA)

Competitors must be 26 years old or under on 1st September 2018.

Each Competitor will be required to auction 3 lots.

Prior to the auction commencing the competitor will view a total of 6 items. Lots will include agricultural and non-agricultural items.

The Competitor will then have 20 minutes to draft a hand written, catalogue-style description and provide a valuation figure for each item on the day of the competition.

The competitor is to hand their descriptions and valuations to the judge prior to the auction. The judge will choose 3 items at random, from the 6 available, for the competitor to auction.

The judge will identify one of the lots to have a reserve. The item and price of the reserve lot is at the judge's discretion.

The competitor should provide an introduction to open the auction sale, outlining the procedure and relevant conditions of the sale e.g. the payment process, order of the auction, buyer's commission rate.

Competitors at the NFYFC Final will not be eligible to watch other competitors until after they have competed.

Stewards will be placed in the audience to act as purchasers on the lots to ensure there is enough bidding to enable the competitor to demonstrate the skill. These stewards will be anonymous to the competitor and will only bid if no other bids are forthcoming.

Once all of the lots have been 'sold' the auctioneer will close the auction in a suitable way and the judge will work out their score.
