New Members Week 2019

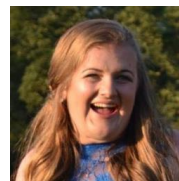

After a long summer break we hope you are all settling back into your relevant YF clubs. It is Members Week from 30th September to 4th October, and we are hoping Suzie Sheep will be travelling across the County to several events and club nights. Please look out for her and extend a warm young farmers welcome if you see her.

The key message this year is "live a little, learn a lot" and we hope you will share with us your good news stories on Facebook and Twitter. Last year we had a "community" of 1383 members across Yorkshire, not including all the club leaders and supporters that make Young Farmers great. It would be really good this year if we could beat that that membership number. Encourage your friends to join in and try your hand at competitions, you never know you could excel and win a trophy! There's something for everyone in YFC!

Development & Marketing Chairman 2019/2020
