No show in team competitions £50.00 per team member
(except in some Sports Comps – see rules)

No show £0.00 individual member

*Some County Rally competitions do incur fines

Please see the rules for each competition

Reminders

If you are unable to attend a meeting for any reason, please contact a member of the committee in order for your 'apologies of absence' to be passed on. Such apologies ensure Guest Speakers and Hosts aware that members have a genuine reason for non-attendance and therefore any low attendance does not reflect as badly on the Club.

Where possible we have tried to provide details of any meeting costs within this programme in order for meetings and events to run as smoothly as possible. Occasionally, places need to be reserved and deposits paid in advance. Therefore, if you wish to go on such a visit, please ensure that you reserve your place on the trip by the deadline, otherwise trips may be cancelled.

If you need transport to and from a meeting, contact one of the committee members who will help you to organise lifts. Please do not just turn up to meetings expecting there to be lifts available without prior arrangement.

At club stock judging meetings members must wear clean wellies/boots, a white coat and bring a pen. At District and County stock judging members must also wear a shirt and tie.
