## Junior Activate Weekend

Seventeen of Yorkshire's junior members attended a Junior Weekend in the Dearne Valley at Kingswood. Alongside three helpers, we all participated in activities including the scrapheap challenge, creating some questionable fashion outfits from recyclable material, laserquest (a firm favourite) and aero ball before descending the zipwire on the Saturday afternoon. Another of the fun activities was a blindfolded obstacle course where many members walked into the trees on course! Climbing and fire lighting were the final activities before it was time to go home and catch up on some much-needed sleep. It was reported by many to be 'the best weekend ever' by many! A fun weekend was had by all and we look forward to planning next years weekend, watch this space.
